That’s less than the cost of a meal for two at an average restaurant.

Now imagine if you were to eat at the restaurant AT LEAST once a week to get some good tasting food in your mouth. At a minimum of $75 for two per meal, you’d easily spend at least $300.00 a month!

For a fraction of that price, with Metabolic Cooking recipes, you could have tasty ‘restaurant grade’ fat burning meals EVERYDAY on YOUR table!

Simply put, we want to put this powerful information into your hands today at an extremely affordable price. To be frank, we could charge five times that amount and it’d still be an incredible value, but I’m not going to do that—at least not today.
